

JDC TECHNICAL EVALUATION REPORT

Subject: Blackstone Insurance Brokers Ltd (06710678)

Reference UID: 4036

Market Authority: London & International Markets

Case Ref: 00024E011A01

Date: 2nd March 2026

Status: High Court Sanction Pending for Broker Liabilities

Technical Analysis & Liability Oversight

Establishment: This evaluation confirms the direct alignment between the archival records from Tuesday, 26th February 1926 and the modern liability profile of Broker 738.

Liability Scope: The analysis specifically addresses long-tail Professional Indemnity (PI) exposure for Blackstone Insurance Brokers Ltd (06710678) and its subsidiary (06710679).

Market Impact: As the High Court Sanction is currently pending, this report provides the necessary audit trail to ensure transparency for all international stakeholders involved in the run-off.
